

1. When our local government approves churches to fully reconvene (beyond the current 250 people or 50% of building capacity – whichever is lower, with appropriate physical distancing), which best describes your response to returning to church? Select one:

- I will return as soon as Unity of Central MN reopens
- I will return as soon as Unity of Central MN reopens but with some concerns and precautions
- I will wait several additional weeks after Unity of Central MN reopens before I attend
- I will not be attending for 6 months to 1 year after Unity of Central MN reopens.
- I will continue to attend via on-line or live-streaming.
- I will continue to do a combination of on-line and physical visits
- Not sure.

2. What other signals would you want to see in our community before you would return to church? Select all that apply.

- All local businesses are fully open (stores, gyms, libraries, etc.)
- Local restaurant indoor seating areas are open (beyond current 50% allowance)
- Schools will be open.
- Most physical distancing recommendations have been lifted (events, movie theaters, etc.)
- Other (please specify)
- Widespread testing and tracing is available.
- The number of coronavirus cases near me is very small
- A vaccine is developed and available.
- Not sure.

3. Please review the following requirements and potential requirements for reopening our building before answering the survey question below.

Requirements:

- Wear a face mask
- Stand and sit at least 6 feet from others not in my household
- Physical distancing seating in Sanctuary (households at least 6 feet apart)
- Avoid physical contact: hugging, shaking hands, touching, etc.
- Bring / use hand sanitizer

Potential Requirements:

- Limit handouts of any kind (bulletins, hymnal, booklets, etc.)
- Wear gloves
- No singing by congregants
- Singing by congregants, but mask required
- New method for collecting tithes and love offerings
- New process for submitting prayer requests to our prayer box
- Alternative seating (besides the Sanctuary) for observing the service
- Doors propped open to avoid touching handles
- One-way foot traffic entering and exiting the building, Sanctuary, and other rooms
- Elimination of hand shakes, hugging, or touching
- Taking temperature of people prior to entering the building
